New name (much easier to pronounce), same iconic views and great food. The historic city of Golden, Colorado is our home, and we welcome you to Footprints Fossil Trace!

Enjoy moments on the patio, overlooking the spectacular foothills of the Front Range. We serve delicious food with an emphasis on fresh, house made items and seasonal produce. We grind our burgers daily, make our own fries, sauces & dressings, and feature rotating local beer taps and seasonal craft cocktails perfect for any occasion (including the perfectly poured pint of Barmen).

Whether you play golf or not, enjoy the walk with us!
